

Do you have some free time to spare? We need a volunteer Public Path Warden for Knighton-on-Teme

The footpaths and bridleways in the Parish are maintained through grants from Worcestershire **Public Rights of Way** with the help of a voluntary Public Path Warden.

The role of the Warden is to:

- Carry out regular inspections of the rights of way, noting any matters in need of attention, at least 12 days a year.
- Check that stiles and gates are in good order.
- Ensure that rights of way are signposted and way marked along their length.
- Carry out some minor vegetation clearance using hand tools.
- Try and resolve problems by making contact with landowners.

Worcestershire **Public Rights of Way** will provide advice and support and offer training where necessary.

For further information please go to:

[Public rights of way volunteering | Worcestershire County Council](#)

Contact directly Mr Jon White, JLWhite@worcestershire.gov.uk of Public Rights of Way, who will be available to discuss the role further or you can contact the Parish Clerk for Knighton on Teme – Rachel Lambert at clerk@knightonontemepc.gov.uk
